# THE CALL OF NEW HORIZONS...

*In the middle of the Mediterranean Sea lies the sun-kissed island of Malta.*

**Among the ancient Greeks it was known as *Melitē*, meaning "honey-sweet". Rich layers of geological history sculpted its natural splendour, while countless settlers shaped the island's landscape over millennia.**

There are several ways to experience the beauty of this honeyed isle, but none so pleasurable than aboard a luxury yacht. While cruising its deep blue Mediterranean waters, perspectives, perceptions and horizons will constantly change as myriad bays, dazzling scenery and dramatic coastlines glide past.

The perfect complement to your break in the Maltese sun, a yachting experience with leading luxury charters provider Azure Ultra will take you on a journey of exploration round the archipelago or the Mediterranean beyond. Indulge in the luxury offered aboard Azure Ultra's Sunseekers as you navigate towards the timelessly peaceful sister island of Gozo, where ancient megaliths still stand after 7,000 years. Cruise its glittering coastline and delight in the sparkling waters lining the natural wonder of the Azure Window.

Explore the idyllic waters around Comino Island, a true paradise for divers. Feed your sense of adventure by exploring wonders beneath and water-skiing across the azure-hued sea; or simply unwind in the summer sun and bathe in its warm, crystal clear Blue Lagoon.

Offering unsurpassed performance, quality and design, the Azure Ultra yacht fleet is moored in the world-class Grand Harbour Marina, located in the 16th century maritime city of Vittoriosa – also locally referred to as Birgu. Its historic waterfront, upmarket bars, restaurants and nightlife, coupled with numerous cultural and historical attractions, render it the perfect place where to get a taste of the Mediterranean high life.

Once ashore, venture further inland to sample fine wines and dine at Malta's top class restaurants. Indulge in designer shopping in the capital Valletta and the cosmopolitan towns of St Julian's and Sliema. Discover authentic local cuisine in the fishing village of Marsaxlokk and browse its artisanal street market, wander around Malta's old walled capital Mdina, and stand in awe of the island's archaeological temples – unique World Heritage Sites ranking among the oldest free-standing structures in the world.
